Reissuing Credit In Quantum Job Aid

If a Credit Report is run outside of the software (in another LOS or directly through the server's website), you can enter the date (scores, tradelines, etc.) into Quantum by doing a Reissue/Reorder on the credit.

Note: This step is only used to pull in the data. It does not update or ding the credit.

1. Go to the Navigation Panel and click the Processing Screen.
   Next, click "Re-order" from the drop down.
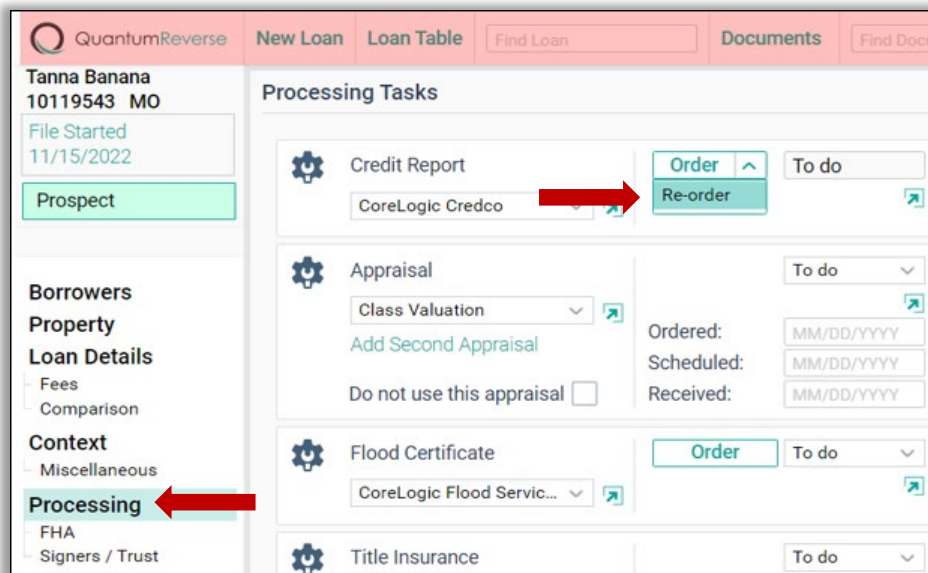

2. Enter the reference/file number, Check the Borrower(s) that are on the reissue, and click "Reorder Credit".
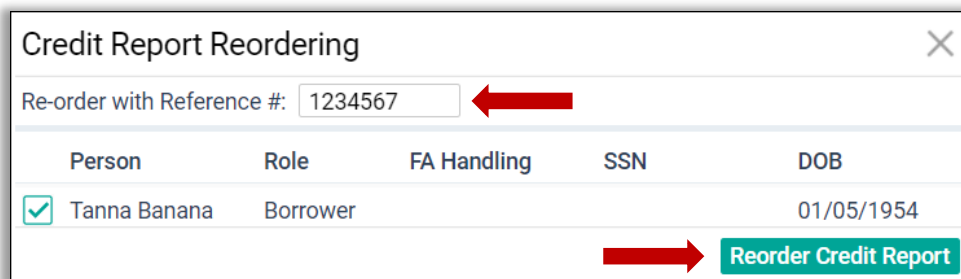

3. Enter your credentials and click "Order Credit Report"
   This will pull the data into Quantum.

4. Follow steps 7 - 13 above to merge tradelines Into Liabilities/Expenses screens.

Please Note: You can only reissue credit with reports that were pulled from a Provider that is integrated with Quantum. A list of currently ingenerated providers is below.
